

25th Anniversary Sponsorship Opportunities

For 25 years, Children’s Law Center has fought so every child in DC can grow up with a stable family, good health and a quality education—providing individual assistance to more than 40,000 children and families, helping tens of thousands more through city-wide policy efforts and becoming a national leader through our innovative work. However, we know the fight is far from over. Too many children are still falling through the cracks. During this anniversary year, we will host a series of events, gathering hundreds of leaders to fundraise and ensure we can continue our critical work. By becoming an [anniversary sponsor](#) today, your support will help Children’s Law Center thrive for years to come.

Below are some of the ways that we will say thank you for partnering with us, including (unless otherwise stated) perks that apply to both our June event with Taraji P. Henson and our fall Benefit. If you have questions, please contact Erica McCollum at emccollum@childrenslawcenter.org or (202) 467-4900, ext. 524.
