

Helping Children Soar Benefit 2022 Sponsorship Opportunities

For more than two and a half decades, Children’s Law Center has fought so every child in DC can grow up with a stable family, good health and a quality education—providing individual assistance to more than 40,000 children and families, helping tens of thousands more through city-wide policy efforts and becoming a national leader through our innovative work. However, we know the fight is far from over. Too many children are still falling through the cracks. Each year, our Benefit brings together hundreds of leaders to support and celebrate this critical work. By sponsoring our Benefit, you enable us to reach more than 5,000 children and families this year.

Below are some of the ways that we will say thank you for partnering with us. If you have questions, please contact Erica McCollum at emccollum@childrenslawcenter.org or (202) 467-4900, ext. 524.
