**Working Together Toward  
a Brighter Future for  
DC Children and  
Families**

# About Children's Law Center

Children's Law Center believes every child should grow up with a strong foundation of family, health and education and live in a world free from poverty, trauma, racism and other forms of oppression.

**Our more than 100 staff** – together with DC children and families, community partners and pro bono attorneys – use the law to solve children's urgent problems today and improve the systems that will affect their lives tomorrow.

Since our founding in 1996, we have **reached more than 50,000 children and families directly and multiplied our impact by advocating for city-wide solutions** that benefit hundreds of thousands more.

**Last year, we:**

- **Reached thousands of DC kids and families through individual assistance** – ensuring children are safe, healthy and learning:

- Collaborated on **450+ cases with pro bono attorneys.**
- **Trained 1,700+** judges, pediatricians, parents and caregivers, social workers, youth and pro bono lawyers.

# Taking a Pause: Moments of Comfort and Joy

Solving complex challenges like the issues we fight for every day takes hard work and many years. It requires us all to sustain our energy – finding moments of comfort and joy to restore and rejuvenate.

Whether it's a warm hug, a snuggly teddy bear or a favorite board game – what brings each of us comfort or joy is as varied and diverse as the people who make up our Children's Law Center community. But the feelings are the same – happiness, reassurance, love, care.

As you flip through the calendar you will meet a kaleidoscope of people from across our entire community: the DC children and families we work with, our staff, board members, pro bono partners and supporters.

**Each of them shares a special moment or memory that brings them comfort and joy.**

You will meet Peyton who gives her stuffie Roo a hug when she's feeling sad or lonely, Lacia who built a beautiful bouquet of flowers – from Legos – to brighten her office and Jordan who shows off her smile after making honor roll.

Collectively, we're all working toward a shared vision of the future: when every child is safe, healthy and learning and free from poverty, trauma, racism and other forms of oppression. But we all need to take moments to re-energize and stay focused on that vision.

As you transition from one month to the next, reflect on what sustains you. And join us as we continue to bring joy and comfort to the children we meet.

**“My son, Leon, loves to play video games with his friends.”**

**– MS. DEANS**

Patricia Wingfield is a Kite Club donor, recipient of our Helping Hands Award and a paralegal at Jones Day. Patricia takes Charlie and Lillian to the farmers market where they love to stop by the popsicle stand. Charlie reads the options to help Lillian choose which one, shows her how to open it and then they get to spend a few minutes enjoying their sweet treats together.
